

CONVERT TICKET TO OPEN

- Complete the booking reservation number and name or telephone number.

The screenshot shows the 'Convert tickets to Open-Date' form. At the top, there is the ANENDYK SEAWAYS logo. Below it, the title 'Convert tickets to Open-Date' is centered, followed by the instruction: 'Search for your tickets by filling in the booking number and then a name from the booking or the phone number you provided.' The form features three icons: a magnifying glass for 'Search', a checkmark for 'Select', and a double-headed arrow for 'Convert'. There are three input fields: 'Reservation no.', 'Phone', and 'Last Name'. The 'or' text is positioned between the 'Phone' and 'Last Name' fields. A large orange 'NEXT' button is at the bottom.

- On the next screen choose the tickets that you wish to change to open, write the email address to which you wish to receive the tickets and press NEXT.

The screenshot shows the second step of the process. It features the ANENDYK SEAWAYS logo and the same 'Search', 'Select', and 'Convert' icons. The instruction reads: 'Select the tickets you want to convert to Open-Date, enter your email and accept the terms of use to continue.' Below this, a disclaimer states: 'Immediately after completion, your tickets will be valid for up to one year from the date and time of issue of the original ticket. We remind you that the replacement process for a new ticket can be done ONLY ONCE, and with a ticket of the same or greater value.' The main content area shows a ticket for 'SAMARIA I' with departure times for SFAKIA (09:00) and LOUTRO (09:15) on Tue Mar 11, 2025. Below the ticket details is a 'PASSENGERS' table with two rows. The first row is selected with a checkmark in a red box, and the second row is unselected with a radio button. An 'Email' input field is to the right of the table. At the bottom, there is a checkbox for 'I confirm I have read, understood and agreed to the Terms and Conditions.' and a large orange 'NEXT' button.
